## NIGHT NURSE APPOINTS STUART POLOGE AS PRESIDENT AND CEO

*Current Chief Operating Officer Promoted to President and Chief Executive Officer*

**FRAMINGHAM, MA – May 4, 2021**

[Night Nurse Inc.](#), a leading provider of medical triage services for pediatric, adult, and family practices, today announced the appointment of Stuart Pologe to President and Chief Executive Officer. The company's Board of Directors voted unanimously for Stuart to lead Night Nurse through its next generation of growth. Stuart succeeds co-founder, President, and CEO Roy Pologe, who will continue serving Night Nurse in his new role of Executive Chairperson.

Stuart joined Night Nurse in 2004 and most recently served as Chief Operations Officer. Under his guidance, Stuart significantly expanded Night Nurse's geographic footprint, its subscriber base, employee headcount, and its revenue. He

spearheaded the company's extensive staff growth and cultural environment with a passion for talent development, mentoring, and inclusivity.

A perpetual innovator, Stuart architected Night Nurse's proprietary software system, considerably increasing operational efficiencies and delivering real-time, data-rich reports. Since 2007, his technology innovations have helped subscribing healthcare organizations improve outcomes, enabled exclusive predictive analytics, and greatly increased Night Nurse's market valuation.

Stuart has led Night Nurse's HIPAA (Health Insurance Portability and Accountability Act) compliance initiatives and has become a noted expert on the topic through multiple articles in leading publications such as Healthcare IT News and Healthcare IT Leaders. He also spearheads the company's cybersecurity practices to ensure that critical patient data is safe and secure.

Stuart has collaborated with the National Council of State Boards of Nursing (NCSBN) to further national policy goals and is often called upon for his expertise in triage operations and program cost-benefit analysis.

"On behalf of our Board of Directors, I am delighted to announce Stuart as our next CEO," said Dr. Michael Dern. "Stuart has exhibited impressive results for more than a decade, continually demonstrating dedication to our subscribing physicians and our Night Nurse family. I am confident that Stuart will expertly build upon our well-established strengths and realize significant new growth opportunities."

Stuart brings 35 years of executive leadership experience to his new role as President and CEO

with a strong reputation for successfully guiding organizations through innovation and growth. A serial entrepreneur, Stuart founded and led several businesses dating back to 1986.

Throughout his career, Stuart has demonstrated a proven ability to develop and execute strategic business programs that deliver measurable results. He is consistently recognized by clients, partners, staff, and his community for outstanding quality of work, leadership, and innovation.

Stuart is also a tireless community advocate and a devoted civic leader. He serves on the Board of Directors, Finance, and Real Estate Committees of Jeff's Place, a children's bereavement center. This non-profit organization provides compassionate support for children, young adults, and their families. Stuart is also an active leader in local government, appointed by the Mayor of Framingham, Massachusetts to the city's Board of License Commissioners. For the last 20 years, Stuart serves as Treasurer and a founding member of the Board of Directors for Natick Pegasus, the public access corporation serving the town of Natick, Massachusetts.

"I am honored to accept the role of President and Chief Executive Officer. In my tenure, I am committed to building on our past accomplishments and driving Night Nurse forward to continued growth and successes." Stuart added, "With a strategic emphasis on innovation and expanded competitive differentiation, I look forward to adding greater value to our existing subscribers and valued team members while also introducing Night Nurse to a broader population of healthcare practices."

## ABOUT NIGHT NURSE

Since 1999, Night Nurse Inc. has reliably delivered triage services within the medical community, and currently serves the patient populations of thousands of private practice physicians, clinics, hospitals, and educational institutions across the United States. Competent, compassionate nurses, assisted by advanced proprietary systems, provide the highest standard of specialized triage care for patients and care givers of subscribing pediatric, adult, family practices, and medical facilities 24/7/365.
